Sir,

We are pleased to inform that on the occasion of World Environment Day, i.e., 5th June 2025, Hon'ble Chief Minister has launched the "Rajasthan Circular Economy Incentive Scheme, 2025" with an aim to promote circularity across all waste regimes in the State.

The objective of the scheme is to promote the reuse, regeneration, and redesign of materials by supporting industries, research institutions, start-ups, MSMEs, and innovators to develop a sustainable circular ecosystem in Rajasthan. The implementation of this scheme is expected to contribute significantly to environmental protection, employment generation, resource efficiency, and sustainable development.

Rajasthan State Pollution Control Board, through this scheme, shall provide:

- Financial incentives up to Rs. 2 crores will be provided for R&D in the field of Recycling and Reuse.
- MSMEs and Start-ups working in the domain of Circular Economy will be granted an additional 0.5% relaxation in the existing financial assistance schemes.

In view of the above and to promote circular economy regime in the State, it is requested to circulate the incentive scheme with your organization so that scheme can be effectively implemented across departments and agencies concerned.

Yours Sincerely
